Some programs have special registration dates and procedures. See individual programs for details.

WINTER SESSION DATES:

January 6 - April 3

No Classes:

1/20, 2/17-2/21, 3/13

For class descriptions or detailed information, go to pages 22-30 or visit www.millvalleyrecreation.org

Program questions, email: recreate@cityofmillvalley.org or call (415) 383-1370

PROGRAM DETAILS:

Getting to Classes:

- Children 1st-5th grade are expected to proceed to their Enrichment class location unassisted.
- Kindergarten students are picked up at classrooms only for Kindergarten classes.
- Parents are responsible for the transportation and further care of students at the end of each class.
- Special pick up information: you must fill out a "Dismissal Release Form," if your child is walking home, going home with a friend, etc.
- To ensure safety we require that you pick up your child promptly at the end of class.
- Repeat lateness will be considered cause for terminating your child's space in our program with no credit or refund.
- You will have access to communicate with Enrichment teachers via business email/ phone numbers to report absence or/class communications.

EDS

- EDS participants will be picked-up and returned to EDS Program by Enrichment Teacher.
- Authorization for pick-up/return must be arranged with the EDS Director.
- Parents are responsible for communicating with the EDS Director regarding any change in their child's Enrichment/EDS schedule.
- EDS participants must be registered with "Mill Valley Recreation-EDS Participation Release". This is a free course you can register for each session.

Outside Classes

- Classes will meet indoors when experiencing inclement weather, if space is available.
- No indoor space will be available at Tam Valley or Edna Maguire.
- We will call and email you if class(es) are canceled.

Policies:

- Registration, refund, scholarship, canceled classes will go directly through Mill Valley Recreation (please do not contact Instructors directly).
- All activities, dates and fees are subject to change.
- Class registration remains on 1st come, 1st served basis.
- Patron requested refunds are only given if requesting no later than 3 days after the first-class meeting.
- \$20 processing fee will be charged.
- Refunds will be given for canceled courses and/or canceled class meeting.
- **Refund request must be made by phone, in person during regular business hours, or via email to recreate@cityofmillvalley.org.**
- See page 4 for more details.

Mill Valley Recreation - EDS Participation Release

My child is registered for EDS and I give Mill Valley Recreation Enrichment Instructors permission to sign my child out/into EDS so they can attend Enrichment Classes. I will communicate and sign the necessary paperwork REQUIRED by EDS in order for my child to be released to Enrichment Staff.

**Instructor: MVR Staff | (415) 383-1370
recreate@cityofmillvalley.org**

Please sign the necessary paperwork REQUIRED by EDS in order for my child to be released to Enrichment Staff.

NEW Mill Valley Recreation - Enrichment TIA'S Participant Release

My child is registered for Tia's after school care, and I give Mill Valley Recreation Enrichment Instructors permission to sign my child out/into Tia's so they can attend Enrichment Classes.

I will communicate and sign the necessary paperwork required by Tia's in order for my child to be released to Enrichment Staff.

**Instructor: Enrichment Staff | (415) 383-1370
recreate@cityofmillvalley.org**

This is for all Enrichment Participants who also attend Tia's at Tam Valley.

NEW After School Time @ Park

This program is for 1st through 5th graders who would like to stay and play on campus. Your child will participate in recreation games, arts & crafts activities, outdoor play, homework time (not tutoring), and enrichment activities during program hours. This program will have indoor and outdoor time. MVPR Staff will only supervise children who are registered in the After School Time (AST) @ Park program. Children must stay within the school rules of appropriate behavior. Students must be registered to attend the AST@Park School program. Participants may still register for other Afterschool Enrichment Classes. AST@Park may be canceled if the enrollment is under 8 students.

**Instructor: MVR Staff | (415) 383-1370
recreate@cityofmillvalley.org**

ONE ON ONE BASKETBALL INC. After School Hoops

Join in the fun of After School Hoops in Mill Valley, these classes will help you become a better basketball player through drills, contests, and game competition.

**Instructor: 1 On 1 Basketball | (925) 451-5888
brent@1on1basketball.com | 1on1basketball.com/eastbay**

AMAZING SCIENCE! Amazing Science

Join Amazing Science - the widest range of STEM, STEAM, and general science activities, and the most experienced science teachers, in any Marin enrichment program! Amazing Science students improve critical thinking skills and general science knowledge through a wide variety of kid-pleasing science experiments, hands-on activities, and demonstrations, in scientific subjects such as chemistry, physics, geology, biology, engineering, and more - with over 130 lessons, our wonderful team of teachers can inspire love of learning and science in your child for as much as three solid years, without using the same lesson twice! TOPICS PLANNED FOR WINTER 2020: Air Pressure and Vacuums; Bat Basics; Bat Ears; Buoyancy; Endothermic and Exothermic; Honey Bees; Detective Science 1; and more!

**Instructor: Amazing Science Staff | (415) 717-0140
AmazingScience@wpm.org | AmazingSci.org**

All individual lesson topics subject to change. Please alert us to any special considerations for your student(s).

Art for Kindies

Come join the fun! This class offers an opportunity for Kindergarten students to continue to explore Art. Projects will include painting, clay and drawing and other surprises.

Instructor: Gwen Perin | (415) 342-2984 | gperin@pacbell.net

Art/Mixed Media

This class will focus on advanced art projects using clay, batik, handmade paper, painting and other mixed media. Join the fun!

Instructor: Gwen Perin | (415) 342-2984 | gperin@pacbell.net

Beginning Guitar for Kids

Having fun playing guitar is the main focus of this class. Students will start with simple melodies, and will later be introduced chords and rhythm exercises to improve their abilities. In the process, they'll be exposed to different genres of music within which guitar is/has been used and have the option to request songs they would prefer to learn.

Instructor: Jason Fischer | (415) 686-3404
mhmlsupport@hotmail.com | marinhomemusiclessons.com

Bead Creations

Students will have the opportunity to develop their creativity while making beautiful jewelry & beaded items. They will be provided with thousands of high-quality beads in all the glorious colors of the rainbow. While having fun, students will also learn planning, patterning & fine motor & math skills.

Instructor: Latifa Tabachnick | (415) 342-9000
latifatab@sbcglobal.net

If there are any questions or concerns, pick-up changes in arrangements, or get locked out of the building, please call or text Latifa's cell (415) 342-9000.

Awesome Kids Yoga

Play, Breathe, Stretch, Create, Explore...In this afterschool program children will explore ways to take a more mindful approach to their world. We will be stretching our bodies and imaginations while learning traditional poses, breathing exercises, mindfulness games and relaxation techniques.

Instructor: Awesome Kids Yoga | (415) 322-9347
daina@awesomekidsyoga.com | awesomekidsyoga.com

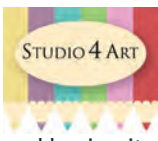

Wear comfortable stretchy pants or shorts and shoes that are easy to take on and off without assistance. Visit www.awesomekidsyoga.com for more details about this program.

Basketball w/ Coach Lewis

This class will provide an excellent opportunity for participants to develop and improve their basketball skills, while having lots of fun. Players will be coached on fundamentals of the game, run through drills, and scrimmage games. Coach Lewis Usher has been coaching in Marin for over 25 years and loves to share his passion for basketball with the many children he coaches.

Instructor: Lewis Usher | (415) 272-3175
lewisusher7@gmail.com

Cartooning & Animation

Experiment, execute, educate! Create a world of imagination in this makers class. Character design, making 3-D models, scenes, storytelling, and having it all come to life while learning about stop-motion animation. Working from traditional cartooning, creating a comic strip/story board, turning those into a book, and finishing with models, magic, and computer animations. Fine art techniques are incorporated into this STEAM inspired class. Technology, learning proportion, how to create exaggerated figures for story making, and the art of perspective are all found in this class.

Instructor: Studio 4 Art | (415) 596-5546
studio4artmarin@gmail.com | studio4art.net

Chess

Learn to play and then excel in the ancient, exciting game of chess. Students will study the movements of the pieces by playing fun games with each of them in turn. Then on to the full game, tackling check mates, tactics and strategies. Chess develops critical thinking skills and problem solving. Chess is the game of kings and queens, and this class will teach manners and good sportsmanship to participants. Chess classes at Edna Maguire are divided by skill level: Chess Basics on Friday is for students who are relatively new to the game. Continuing chess on Thursday is for those who are proficient in the basics of the game. Instructor approval is required for participation in this class.

Instructor: Tondi Erikson | (415) 722-2750 | tondi@me.com

Continuing Chess

Chess classes at Edna Maguire are divided by skill level: Chess Basics on Friday is for students who are relatively new to the game. Continuing chess on Thursday is for those who are proficient in the basics of the game. Learn to play and then excel in the ancient, exciting game of chess. Students will study the movements of the pieces by playing fun games with each of them in turn. Then on to the full game, tackling check mates, tactics and strategies. Chess develops critical thinking skills and problem solving. Chess is the game of kings and queens, and this class will teach manners and good sportsmanship to participants. Intro to Tae Kwon Do

West America Tae Kwon Do was founded in Mill Valley in 1983 by Master Roger Carlon. Classes are conducted by Master Carlon, Chantal Carlon and Roger Carlon Jr. West America Tae Kwon Do is a great way for students to get introduced to martial arts and for continuing students to further pursue their training. Class meets at West America Tae Kwon Do, located next to the rear parking lot of Edna Maguire School. The intro to TKD course is designed for new white belt students up to advanced white belt students. Students will work towards their yellow belt while learning coordination, balance, and self-control. There is no sparring at this belt level. A Tae Kwon Do uniform is required for this class and may be purchased at West America Tae Kwon Do for \$35. There is an optional belt test at the end of each session for students who are eligible.

Instructor: West America | (415) 383-4755
westamericatkd@gmail.com | westamericatkd.com

This class is for first time students or white belts only.

Introduction to Tae Kwon Do

Discover your own potential as a mighty ninja warrior! Learn the basic martial art jumps and kicks, a healthy dose of exercise; stretch and be nimble; breathe and be still, a counter to the daily madness; practice being respectful to elders and peers. All in a 45 minute weekly class packed with fun and instructional tae kwon do activities.

Instructor: Patrick Siu | (415) 812-4124 | cipaadv@comcast.net
patricksiu.com

A tae kwon do uniform is required for this class, and may be purchased on the first day of class. To move up to the next level, students may register for a belt-test session for an additional fee. Testing is optional and will be offered at the end of each session for eligible candidates.

Jedi Master Engineering with LEGO®

The Force Awakens in this advanced engineering course for young Jedi! Discover key engineering concepts such as gear trains, worm drives, pneumatics, and eccentric motion. Build projects from LEGO® Materials such as X-Wings, AT-AT walkers, Pod Racers, Star Destroyers, Cloud Cities, Settlements, Fortresses, and other complex machines and structures from a galaxy far, far away.

Instructor: Play-Well TEKnologies | (415) 578-2746
justin@play-well.org | play-well.org

Math Adventures

Math is all around us join us while we practice our math skills and have some fun! We'll become architects and use our counting and measurement skills to design and build structures, put on our chef hats and use patterns to create pretend food, and talk speed and scoreboards in sports. We'll play games, solve puzzles, sing songs, read books, and do a little dancing, while we practice counting, addition, subtraction, skip counting, pattern matching, money, measurement, time, and more.

Instructor: Tina Campdoras | (310) 528-1282
tinathetutor@gmail.com | facebook.com/TinaTheTutorMV

Please text Tina at 310-528-1282 if your child will be absent.

Magic - Abracabra!

Seeing a magician is a chance to experience the timeless wonders of magic. Performing magic is a chance to amaze your family and friends with something mysterious and memorable. In Paula's course, Abracadabra!, your child will learn to think outside the box - anything is possible. They will develop their motor skills, self-esteem, and performing technique, and learn about the history, mystery, and evolution of the art of magic. Students will learn classics of magic, and sleight-of-hand, build their own individual act, and perform in a magic show at the end of the session.

Instructor: Paula Ramsey | magicbypaula@comcast.net

Miss Hale's Art Club

Each week, young artists will be encouraged to explore the joy of art and self-expression discovering their own personal artistic style in art and design! Taking inspiration from the Masters such as Monet, Matisse, Degas, Van Gough and Vermeer, instruction will focus on line, shape and color and composition in a variety of art projects- creating art in pastels, pen and ink, collage and watercolor to produce an individual portfolio of their own masterpieces! Kate Hale has worked with children at Edna Maguire and the Middle School for several years - she loves sharing her passion and training in art with children and encouraging young artists to develop their own artistic skills. Cost of materials included in fee.

**Instructor: Katherine Hale | (415) 913-9242
gardens123dream@gmail.com**

Miss Hale's Art Club: Cartooning and Manga!

Each week we will have fun learning to draw your favorite kinds of Manga and cartoon characters. Create your own comic strip or action hero! Kids can learn to draw their own manga-style characters including the special shiny-eye, noses, mouths, and body types...drawing fun with the popular Japanese-style comic techniques or creating an original comic strip with unique characters.

**Instructor: Katherine Hale | (415) 913-9242
gardens123dream@gmail.com**

MT. TAM ADVENTURES Power Hour - Kindies

**Instructor: Coach Jeremy Williams | (415) 377-9678
jeremy@mttamadventures.com | mttamadventures.com**

Private Piano w/ Jerry Frohmader

My teaching style is to tailor a curriculum to the individual's interests and to assure learning and fun are essential ingredients.

**Instructor: Jerry Frohmader | (415) 519-8152
jerryfrohmader@gmail.com**

Private Piano w/ Miriam Kato

Learn to play music in a fun and relaxing way. The 30 minute piano lesson is designed to establish a solid musical foundation from which the student develops the ability to play any style which appeals to them. Using a customized lesson plan, classical, pop, rock and jazz styles are studied. Beginning and advanced students are welcome!

Instructor: Miriam Kato | (415) 456-6143 | mkkato1@gmail.com

After the first piano lesson, parents are requested to purchase educational materials from the 'Magic Flute' in San Rafael (one lesson book, spiral bound notebook and pencil).

Private Piano w/ Dana Nguyen

Take piano lessons from a performer/concert pianist who studied Piano Performance and has been performing nationally and internationally for over 20 years. Students will learn excellent techniques to improve their playing and have fun at the same time! Lessons are tailored to each student.

Instructor: Dana Nguyen | (415) 324-0915
dana.nguyen@gmail.com

Private Violin

Welcome to violin lessons! I can teach the fundamentals of music, rhythm, note reading, or help the intermediate student with orchestra or solo music.

Let's get started on the right note!

Instructor: Crystal Von Pischke

DAVE FROMER SOCCER **Soccer w/ Dave Fromer Soccer**
