CALL FOR INSTRUCTORS

An open call for instructors for the Fall 2020 Session Programs will begin in mid-March, 2020.

Want to teach for us? We need instructors for all types of programs including:

- After School Enrichment
- Fitness/Wellness
- Technology & Sciences
- Adult/Senior Education
- Music
- Sustainability
- Arts & Crafts
- Outdoor Recreation
- & Much More!!

We are looking for qualified, experienced instructors with more than 2 years teaching experience. Please fill out our application and return to recreate@cityofmillvalley.org.

The Mill Valley Recreation Brochure hits all 40,000+ residents in the 94941 zip-code and is our #1 marketing tool along with multiple social media channels and events for the community showcasing our amazing array of instructors. We'd love to meet you!

No class 2/20

Create!

Basic Ballet

The art of ballet is the classic discipline for every aspiring mover. We will balance, stretch and strengthen our bodies and minds as we further explore the elegance of positions and patterns and the joy of movement. This class welcomes new students and experienced beginners.

Instructor: Bridget Bartholome I (913) 488-0684
bbshasta@gmail.com

12 classes - Wednesdays - 1/8-4/1

Location: Community Center, Dance/Fitness Room

No class 2/19

Beginning East Coast Swing & Intro to Lindy Hop

Created in the 1940's, East Coast Swing was intended as an easy-to-learn adaptation of the Lindy Hop and a method to establish dance skills for beginners. Each week you will learn six-count variations and dance patterns. New swing dancers should attend the first class in each session in order to learn the basic dance patterns. Please wear flats (no spike heels).

Instructor: Joe Costa I (415) 654-4679 | jpcosta@att.net

Location: Community Center, Tamalpais Room

No Class 2/19

Drop-in \$30 plus \$10 materials for the day.

Materials fee: \$50 for class.

Mindful Farmers Market Cooking

Each class begins with mindfulness to calm and center ourselves before we go into the kitchen. We'll focus on locally sourced organic fruits and vegetables in this healthy, delicious and nutritious class. Sample Menu: Strawberry Kale Salad, Purple Cabbage Slaw, Heirloom Tomato Zucchini Lentil Soup! Kids learn basic knife skills and eat what they cook.

Instructor: Bliss Belly Kitchen | (510) 936-1841
neelam@blissbellykitchen.com | blissbellykitchen.com

12 classes - Tuesdays - Multiple times - 1/7-3/31

Location: Community Center, Kitchen

No class 2/18

Poekie Nook Sewing

The cuteness of Poekie animals has motivated thousands of children to master various hand-sewing techniques. Starting

with easy, beginning animals, students sew their way up to advanced Poekie animals. Choice of animals depends on age and experience. This class is a good introduction into the world of Poekie Making. Wonder what a Poekie is? They're not just stuffed animals if they inspire you to create your own world.

Youth GOLF

Youth On Course

The City of Mill Valley is proud to present Youth on Course, a program sponsored by the Northern California Golf Association (NCGA), designed to encourage junior golf, as well as family golf play locally. YOC offers discounts to numerous courses in Northern California for participating juniors. As an example, an adult can take a YOC member to courses like Harding Park or Bayonet/Black Horse in Monterey with a junior fee well below the normal fare.

As part of the NCGA's YOC program, and in partnership with Mill Valley Recreation, the Mill Valley Junior Club hosts junior tournaments throughout the year, including our annual Parent/ Child event and Junior Club Championship. Membership includes the YOC card, membership into the NCGA with a host of benefits (ncga.org), as well as discounted play Mon-Fri for only \$5 (a daily savings of \$8-10).

A PGA Professional, also provides private lessons to junior and adult players, again with a discount for interested junior golfers. Students range from raw beginner to National Champions.

Par 3 Course

New to golf? No worries! A special Par 3 course inside our traditional course encourages play for beginners. This special short course comes complete with proper tee markers, yardage plates and scorecards.

Golf Lessons

Lessons are designed to create interest and foster development in all golfers. Strong emphasis is placed on the fundamentals, stance, grip, posture, full swing, rules & etiquette, etc. **The lessons are taught at the Mill Valley Golf Course by golf professional, Paul Rojas (415) 388-9982**

Private & Semi-Private Golf Lesson Info:

1 Lesson \$60 | 5 Lessons \$300

**Pro Shop/ Junior Club/ Golf Lessons/
Current Schedule (415) 388-9982**

Be a Math Genius

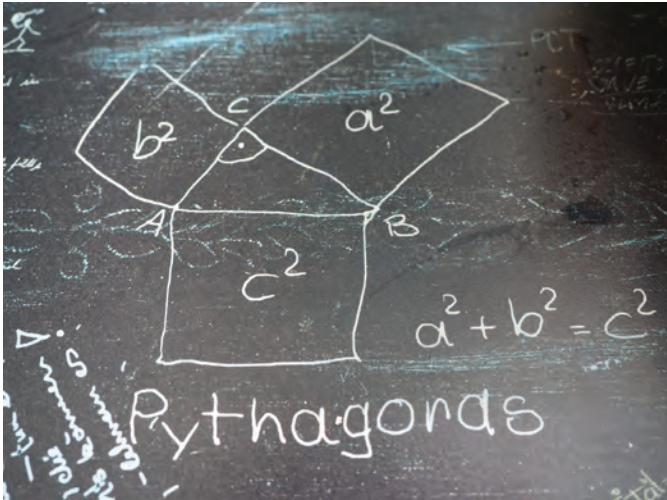

siliconvalley4u

Be a Math Camp, participate in the Olympiad or just prepare to be a math genius. We will cover several math topics (algebra and geometry) based on your grade level. Our classes are designed to build the foundation with every topic we teach to let go Math fear and understand the importance of MATH for STEM or STEAM related subjects.

Supply fee due to Instructor first day of class \$45.

Creative Coders (For Middle Schooler)

This STEAM class gives you ideas for things you can create with code. In this group project-based camp, you will invent your own cool creations from games to musical instruments using the BBC micro:bit, a tiny computer you program using Blocks, Javascript or Python. The possibilities are endless. Super-fun and supremely creative! Each student will take home a FREE micro:bit Go kit at the end of the class. New challenges will be created for students who have been following our TinkerTech year-round classes for Grades 6-8 or who have previous coding or robotics experience.

Instructor: Claire Comins - 11 classes - Mondays - 1/6-3/30

Location: Community Center, Mountain View Room
No class 2/18

Gadgeteer Kids

This series of fun STEAM classes blends hands-on science with demonstrations and explorations. In each class, students will use easy-to-find materials to build a gadget that flies, flaps, balances, buzzes, or spins and always wows. With simple materials and a little ingenuity, they will experiment with paper mechanics, learn how airplanes fly, bewilder the brain with color and sound, and so much more.

Instructor: Evan Brown | (415) 531-2950
 gadgeteerkids@gmail.com | Gadgeteerkids.com

13 classes - Thursdays - 1/9-4/2

Location: Community Center, Tamalpais Room
No class 2/20

Robotics Fun

Offering the tools to inspire the problem solvers of tomorrow. During this week, kids will jump into robotics, programming logic, & structural design with VEX. The kids will learn to write programs, use them, test them. Students will build a strong foundation of coding & robotics skills for their tech future. Kids are taught engineering basics with an emphasis on exploration & trial & error field testing. Material fees will be used for Laptop usage, access to Dropbox, usb with all programs we plan to do in class as well as the program the student creates. There is an option for the child to buy a robotics kit from us too. Supply fee due to instructor at the first class meeting fee \$45.
